ABOUT THE STATE

The Retail Clerks' union is urging the
merchants of Rutland to adopt the
custom of last year and have a half
holiday each Thursday afternoon
through the summer.

The largest fee paid to the state
treasurer for a license to sell intoxicat-
ing liquor is \$1,000. It comes from the
little town of Braintree in Orange coun-
ty, which has one second class saloon.

Plans for the erection of a new store
on the site of the one recently burned in
East French are progressing rapidly.
The townpeople have raised over
\$500 toward the expense of building
and the owner, George Eden, has or-
dered 15,000 feet of lumber from John
Rice, of Danville.

The home of Mr. and Mrs. Adolphus
Bousquet in Bristol North, some dis-
tance south of the village, was burned at
daybreak Tuesday night. The loss is
estimated at \$1,100 with \$700 in-
surance. A brick fire had been left in
the kitchen stove and an overheated
stove pipe set the house on fire. Neigh-
bors broke in the door and saved the part
of the furniture, but when the family
returned from an hour's absence the
house was in ruins.

INTEREST AT 3 1/2 PER CENT.

**Reasons Why Montpelier Bank Dropped
Its Rate.**

The board of trustees of the Mont-
pelier Savings bank and trust company
at a recent meeting took an important
action by deciding to reduce, beginning
July 1, the rate of interest on deposits
from 4 to 3 1/2 per cent. says the Mont-
pelier Argus. The rate of interest
charged on loans secured by mortgages
on property in Vermont will be 5 per
cent. as it was before the interest on
deposits was increased. The trustees
had reached this conclusion, it is stated,
because they have realized that no bank
is able to pay 4 per cent. interest to
its depositors and find sound and safe
investment for their money, and in ac-
cordance with the management char-
acteristic conservatism in the past has
so decided, believing in doing so it is
throwing every safeguard around its in-
vestments and fiduciary trust of deposi-
tors' money. The bank has been paying
four per cent for the past two years,
before that it was 3 1/2 per cent. for
several years when it was reduced from
four per cent.

DRAWN FROM MUD REJOICING.

**George H. Bickford Helped Out Through
Kindness of Col. Battell.**

Middlebury, May 21.—In spite of his
opposition to automobiles Col. Joseph
Battell gave his permission the other eve-
ning to have the automobile of George
H. Bickford of Hardwick drawn out of
the mud near the government farm at
Weybridge, and the owner of the ma-
chine arrived here later rejoicing.

Bickford had made several ineffectual
efforts to start his machine when he
called on the driver of a team of horses
nearby for assistance. The driver in-
formed Mr. Bickford that the horses be-
longed to Col. Battell and said that if
the latter heard that he had assisted an
automobile he would be reprimanded.

He told Mr. Bickford to first obtain the
colonel's permission. Bickford imme-
diately telephoned to Col. Battell and
after a few minutes' delay the team-
ster was ordered to help the automo-
bilist.
